

# The **Gilda Cobb-Hunter** Series

Answer the following questions based on the “Why did You Choose Politics?” video.

1. Explain the influence of caring professors, HBCU’s and community in fostering her interest in politics.

2. How significant was the creation of the Women of Color Political Network to jumpstarting Cobb-Hunter’s political career?

3. Describe the social, political, and economic challenges a woman of color faces in the South, getting elected to a public office.

4. What have you learned about this experience?

5. What other questions do you now have?
