

# **Google Earth: Map a Trip**

# VACAY MODE

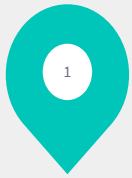

Using [Google Earth](#) or [Google Maps](#), plan the perfect summer vacation trip in South Carolina.

**Remember, a vacay isn't a vacay without delicious food, sights to see, fun activities, and more!**

Happy planning :)<sup>2</sup>

# Traveling Details

**Departure Date:** Type

**Departure Time:** Type

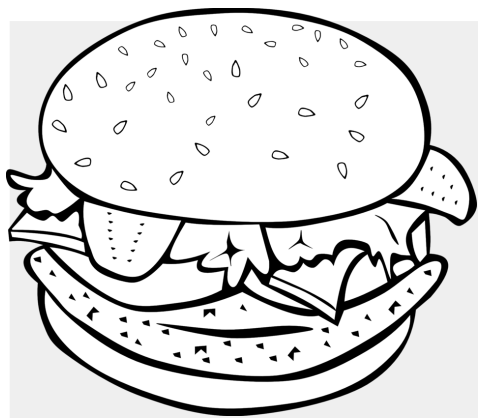

**Number of Days Traveling:** Type

**Number of People Traveling:** Type

**Total Stops:** Type

**Arrival Date:** Type

**Arrival Time:** Type

# Tasty Treats

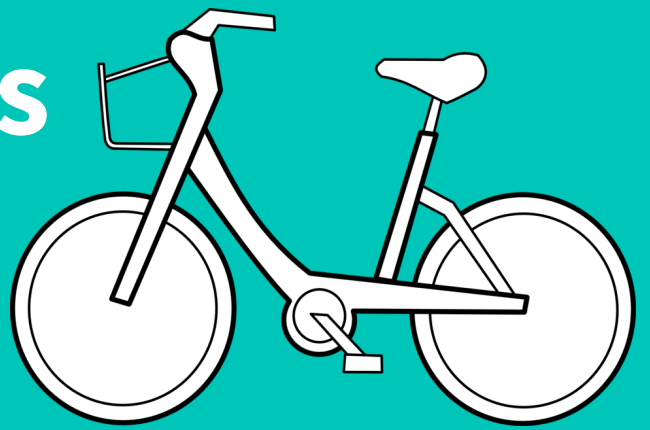

Find **THREE** restaurants your travelers will pass on the road to your destination.

Make sure to tell them what the restaurant is called, which city it is in, and a menu item they must try!

Restaurant Name	City	Must-Try Menu Item

# Fun Activities

**Pick TWO activities  
you think your  
travelers should stop  
partake in along the  
road trip!**

Activity	City	Description/ Picture

# Sights to See

**On the next TWO slides, post a picture of a sight your travelers must stop to see on their road trip.**

**Add a caption that includes the following:**

- ★ **Name of Sight**
- ★ **Location of Sight**
- ★ **Description of Sight**

# 1st Sight to See
