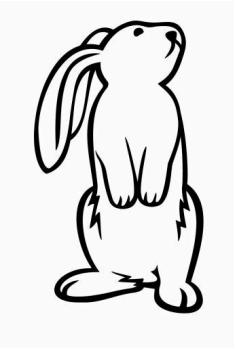
Bunny Hop Number Comparisons Worksheet

Name: _____ **Date**: _____

Instructions: For each pair of numbers, write a sentence comparing them using "is greater than," "is less than," or "is equal to." You can use the number line to help you!



Example:

Numbers: 15 and 32
Sentence: 15 is less than 32

Your Turn:

1. Numbers: 48 and 21

   Sentence: _____

2. Numbers: 9 and 17

   Sentence: _____

3. Numbers: 65 and 65

   Sentence: _____

4. Numbers: 73 and 59

   Sentence: _____

5. Numbers: 30 and 12

   Sentence: _____

6. Numbers: 8 and 8

   Sentence: _____

7. Numbers: 91 and 100

   Sentence: _____

8. Numbers: 27 and 34

   Sentence: _____

Challenge!

Choose two numbers and write your own comparison sentence:

Numbers: _____ and _____

Sentence: _____

Draw a simple number line and show where these two numbers would be.

Bonus: Can you put the numbers 48, 21, and 9 in order from least to greatest?

Least: _____, _____, Greatest: _____
