Source A (Positive Perspective – Roman Citizen)

“Rome is the greatest civilization in the world. We have strong roads, clean water from aqueducts, and laws that protect citizens. Entertainment like the Colosseum brings people together. Life in Rome is full of opportunity.”

Source B (Negative Perspective – Enslaved Person)

“Life in Rome is not fair for everyone. Many people, like me, are enslaved and have no rights. We work long hours and are treated poorly. The wealth and power of Rome do not benefit everyone.”
