### **Kristin Gudjonsdottir - Using a Pattern**

**Gudjonsdottir:** You know, I figured out the areas that I want to create a piece out of, and I use the nice plastic that's in the cereal boxes. So don't throw that away. It's great stuff. Um, and I have to make sure that I flatten out a piece of clay, it's enough area to cover this and, uh, a little piece like that to create this piece.
