

Clarence Jackson

1. “Clarence’s Waltz” (02:37)

During the first 45 seconds, there is no speech, only instruments. At this point, C. Jackson says, “Alright Stephen” and one of the other players takes the lead. The camera shifts right to show him.

C. Jackson: *<Initiating applause> C’mon lets appreciate that boy a little bit. How about that? <Crowd applauds>*

At the 1:30 mark, Jackson begins to play again, the camera shifts to the left, and the crowd applauds again.

C. Jackson: *<At the end of the performance> Alright.*

<Applause>
