Video 16: Kudzu Basket – F. Edging Basket

Okay, so now, I'm going to finish off this basket so what I am going to do here is to hide my fingers. And what I do is, I kind of lock my fingers in. I take the end and I tuck it in. I take my screwdriver and I make a space and I tuck it in. And what I do is, when I tuck it in, I take my hand and I pull it through and that locks that one in. Then I go to the next one and do through the same process. I take my screwdriver, my screwdriver which is my help here, and I tuck it in and let it come through and then I tighten it up with my hand. I repeat the process until I get all of the fingers in.
