Video 10: Bentwood Trellis – E. Finishing

I select two more pieces, so I do the same thing with these two pieces. I kind of clean them up a little bit. Make them look nice. So I do this again with both pieces. At the same time I'm cleaning them up. You do the similar thing with the two pieces and then slide one right here next to the one that you did the first time. Take that piece nail on that side. This piece, again we nail it on this side. (Nail tapping.) So that is the right side. Okay, so you come back and do the left side the exact same way. Okay, so, that would be one trellis for me. (Jimmie holds up completed trellis.)
